Dear Sirs

Our Client: SCL Elections Limited

We write further to your letter of 29 March 2018.

We note that the return of our client's servers is likely to begin on 10 April. In order that these may be returned at the earliest opportunity, and with the least amount of disruption, we would ask that your technical team liaise directly with our client's technical team who can be contacted at:

Richard Jackson - richard.jackson@cambridgeanalytica.org
Stephen Wilkinson - stephen.wilkinson@cambridgeanalytica.org

We note in your letter that you said that you would not be able confirm the position in respect of our client's laptops before today and would ask that you confirm the position as soon as possible.

It goes without saying that the prolonged withholding of our client's servers and laptops continues to cause real and significant damage to its business.

Finally, your letter fails to address our client's request for a copy of everything that was seized during the search pursuant to paragraph 7(2) of Schedule 9 to the DPA and ask that a copy is provided by return.

In the interim, all our client's rights remain fully reserved.
